Lenten Day of Reflection

The Treasured Aramaic Words of Jesus

The Catholic Lawyers Guild of Chicago cordially invite you to join us for a powerful and inspiring retreat experience with **Brother Joseph Kilikevich, OP** of the Shem Center for Interfaith Spirituality.

Translations bring to light the profound wisdom of the teachings of Jesus found in the Lord's Prayer, the Beatitudes and the "I am" sayings in the Gospel of John. Selections from these treasured words of Jesus will be considered in new translation, sacred chant and the ancient practice of using our bodies in prayer.

In exploring the ancient Aramaic texts of the Scriptures, until recently accessible only to the scholars of the language Jesus spoke, the familiar and treasured words of Yeshua, a desert dwelling mystic and prophet can now be examined more closely by us. The mantric sound of these sacred words will be experienced through chant and reverent movement within a circle of prayer.
